What is the Impact Advocate Award?

The Impact Advocate Award aims to celebrate and recognize a remarkable individual in their career who is positively shaping the future of Florida's young children, teens, and families. This award is presented to an individual who is actively engaged as an advocate, working diligently on behalf of their local communities or statewide, initiating programs or policies that positively affect the status and well-being of others.

What is the difference between the Chiles Advocate Award and the Impact Advocate Award?

The Impact Advocate Award was created to celebrate the champions advocating for young children, teens, and families right now. These individuals are amid their professional journeys and working towards creating a lasting impact
